

## STATEMENT OF FAITH

We believe in the authority of the Bible, as the complete Word of God. We believe in the trinity, God's plan of salvation for mankind as planned by God the Father, executed by God the Son by His atoning death on the cross and His resurrection and applied and worked out in the life of the believers by God the Holy Spirit. We believe in the Body Of Christ the universal church composed of all the Born again Believers all over the world and the local expression of that body in every place where believers meet together for worship and breaking of bread, fellowship and Bible study and prayer. We believe in the equality of the believers in the body of Christ being equally precious as they are redeemed by the precious blood of Christ, being equally important and useful as indwelt by the Holy Spirit to contribute to the building up of the church, the spiritual house and God's holy habitation to show forth His fullness, unity, love, wisdom and power. We believe in the preparation of the Church for the second coming of the Lord Jesus Christ for which the worship is an important part of that preparation. Therefore we encourage individual worship of believers in spirit and in truth around the Lord's Table every Sunday, enabling them to declare the preciousness of the Lord as experienced by them. We warn and encourage believers to take part in the Lord's Table worthily to be prepared for the glorious appearing of the Lord. This exercise is important as the "Father seeks for such worshippers." (John 4: 23). We believe in the stewardship of the church in preaching the gospel to all peoples regularly so that souls are saved and added to the church, disciples so that the kingdom of God is built. Every Opportunity to proclaim the Gospel is taken and every believer is encouraged to participate in the various outreach programs. We believe in the autonomy of local churches under the headship and lordship of the Lord Jesus Christ based on the New- Testament pattern and functioning according to the principles revealed in the word of God.

## **MISSION**

To witness the saving grace of the Lord Jesus Christ and bring many souls into the kingdom of God. To shepherd and build up the believers in the faith and facilitate their growth in the grace and the knowledge of our Lord Jesus Christ through various ministries of the church. To prepare the church for the glorious second appearing of the Lord Jesus Christ.

## **VISION**

The church, which is the body of Christ, is a living organism and not a mere organization. It is formed by the gathering together of born again believers in a given locality as the "Lord adds to the church such as should be saved." It functions under the headship and lordship of the Lord Jesus Christ as believers gather together steadfastly for worship, breaking of bread, studying the word of God, fellowship and prayers. (Acts 2:42) thereby to show forth His fullness, unity, love, wisdom and power. God is after a worshipping community John 4:23. Therefore sufficient time is allocated for individual worship before the observance of Lord's Table every Sunday. Witnessing and gospel outreach activity in surrounding areas is constantly carried out.

## **HISTORY**

For about ten years between 1932 to 1941 Br. Bakht Singh was mightily used of the Lord to bring revival in various churches all over India and many were born again. But sadly due to the traditionalism and liberalism prevalent in the nominal Christendom of the day, these souls were unable to grow spiritually and were backsliding into the old life. This gave a great prayer burden to Br. Bakht Singh and co-workers to seek the Lord's mind to make provision for the growth of these souls coming to know the Lord. The Lord clearly and definitely led them to start the New-Testament pattern churches based on Acts 2:42. As they obeyed the Lord enabled them to begin the first such church at Jehovah Shammah, Madras in 1941. The Lord began to bless the work and it soon spread to many cities towns and villages in the country and abroad.
